## Online Bookings

We will open online bookings 1 week and 1 day in advance at 12 noon, that is booking for a Saturday will open on the Friday the week before, a Monday the week before for Tuesday comps and the Tuesday the week before for Wednesday comps (if the Wed Ladies decide to use online bookings). This is the same practice as most other clubs as is similar to our current practice of booking for next week before playing that day (and saves everyone from having to wake up at 5am on a golf day to book for the following week).

We will close online bookings at 7 pm two days before the competition (Thurs night for Saturday, Sun night for Tuesday, Mon night for Wednesday). This will allow us to email a copy of the Timesheet to the Pro-Shop so that they have it the day before the competition and can print it out ready for the next day. Any changes to the timesheet after the 7pm closing time will need to be made by phoning the Pro-Shop (the next morning onwards).

## Making a Booking

Select the Bookings heading at the top of the Home Page (see earlier image).

You will see a list of dates and events. If the Time Sheet is available for bookings you will see the word **OPEN** next to the date and underneath the number of slots available. **CLOSED** indicates that you cannot book online and must call the Pro-Shop to book, move or cancel.

The screenshot shows the 'Golf Course Bookings' page. At the top right, there are filter buttons: 'My Days', 'Daily', 'Monthly', and 'Yearly'. Below the title, the time is '04:02:42 PM'. A date selector shows '15/05/2020' and 'Showing 30 Days'. There are also checkboxes for 'Results', 'Open', 'Ladies', 'Mens', and 'Weekends'. The main content is a list of events:

Regular playing partners can be set up from the Home Page if you so wish.

**NOTE – you still need to use the Kiosk PC in the Spike Room to register for the competition/s of the day and to print a scorecard. Anyone who booked the day before through the Pro-Shop will be added to the online time sheet at the same time.**
